[CHUCK:▶] they're rolling down my pants

[TONY:▶] really

[CHUCK:▶] yes they just seem
really interested in that

part

of

my

body

they're

looking

at

it intensely

they

put

more

light

on

it they're

...

they're

...

something

...

it's

almost

like

something

fluttering

...

like

a

butterfly

...

it's coming

...

it's

coming

down on me

[TONY:▶] what

area

of

you

[CHUCK:▶] it's my

penis

[TONY:▶] & then

[CHUCK:▶] something black

... & ... black ...

& then I can't

remember

[LIZ:▶] you

should have said

something

[TONY:▶] just relax Chuck

[CHUCK:▶]

(breathing heavily) there's

something ...

something

... oozing

[TONY:▶] oozing

from where

[CHUCK:▶] uh ...

from my penis

[TONY:▶] did they cause that

[CHUCK:▶] um ... yeah

[JIM:▶] I think they want a sperm

sample from

me

too because they're ...

they're fiddling around

with my genitals trying

to get me

to have
an erection ... those
bastards ...
they're not going to get one ...
it's like
my penis is shrunk
down inside
of me

[AGNETHA & FRIDA: ▶]

so when
you're
near me darling
can't
you hear me S.O.S.

[RAY: ▶]

can
you please turn
the radio down

Tony

uh sorry
uh so
how would

Jim

they

the uh

collect
sample

[JIM: ▶] I
don't know ... I don't see
anything in their hands ... except
that pokey thing ... I get the
idea that if I don't get
an erection soon I
am going
to be in
trouble

[RAY: ▶]

uh-huh
so what happens next

[DAWN: ▶]

I'm in
my tree & I'm
talking to the
Chicks & Dixie
making me feel
better they're

television

[RAY: ▶]

& the
too please

Tony ...
yeah so ... right ... &
then Jim
[JIM:▶] so I ...
I'm trying to
think of things that
will give me an
erection ... something ...
anything ... naked
women (...) having sex
with my girlfriend ...
anything ... maybe if I give
them what they want
they'll let me
go ... just let
me sit up
& I'll do
it ... so
they let me & ... they
have some kind
of container ... it's
silvery metal ...
so they're

gonna ... they're gonna let me
... I ejaculate in it
& that's what
I'm doing
I'm giving them their damned sample
[STEPH:▶] amazeballs
[DAVE:▶] uh ... thank you
... can you
describe the container
[JIM:▶] it's not big ...
it's just a small ...
just ... ah ... like a small
bottle but it's ...
it doesn't ... it's rounded
on the bottom
... there's no ...
it's not freestanding
... it reminds
me of a ...
a ... an air gun can ...

canister ... like the kind they put
in air guns only |
bigger & it's silver
... silvery |

[RAY:▶] what are the dimensions

[JIM:▶]
oh five six inches in length
... not big ... black ... uh
... looks to be about an inch
& a half in diameter
but it's

got a
smaller neck ... it's smaller
at the neck
where it goes
to my penis

[RAY:▶] it fits right over
your penis

[TOM:▶]

never trust a scarecrow wearing
shades after
dark

[RAY:▶] dammit Tony ... the radio

[TONY:▶] it keeps turning
itself off &
on again

[RAY:▶] sorry ...
keep going Jim ...
you're doing great

[JIM:▶] yeah
... so I gave
'em
gave them
their sample ... the rotten
bastards ... I'd a
been a lot nicer
about it if
they hadn't poked me

... I just
 want to murder ...

[RAY:▶] what do they do with the sample

[JIM:▶] they took it away ... the ...
 one of them
 walked ... walks away ... they
 took their | sample

[DAVE:▶] where does
 he go with it

[JIM:▶] in that
 other room ...
 he went around the ... the
 thing ... the divider

[RAY:▶] what
 happens next

[JIM:▶] I'm glaring
 at them ... I'm

really pissed off ... I want to
 murder 'em ...
 how can they do this
 to people ... I
 betcha that's what they did to Jack
 too ... those rotten bastards ... they
 got no feeling no ...
 no ... emotion

[BONES:▶] well ... it's
 life Jim ...
 but not as we know
 it
