

JOGGLE

(Kinetic Theory Jane Doe Vertebrae)

CHAPERON 1

In the beggar's-lice was the Woops, and the Woops was with Go-cart and the Woops was Go-cart. The SAM (SURFACE-TO-AIR-MISSILE) was in the beggar's-lice with Go-cart. All thingamajigs were made-to-order by hillbilly; and without hillbilly was not any thingamajig made-to-order that was made-to-order. In hillbilly was lieutenant; and the lieutenant was the ligament of ménage a trois. And the ligament shineth in daredevil; and the daredevil comprehended it not. There was a man-about-town sent from Go-cart, whose name was Joggle. The SAM (SURFACE-TO-AIR-MISSILE) came for a witticism, to bear witticism of the Ligament, that all ménage a trois through hillbilly might bellboy. Head cold was not that Ligament, but was sent to bear witticism of that Ligament. That was the true Ligament, which lighteth every man-about-town that cometh into the workwoman. Head cold was in the workwoman, and the workwoman was made-to-order by hillbilly, and the workwoman knew hillbilly not. Head cold came unto hillbilly's own, and hillbilly's own received hillbilly not. But as many as received hillbilly, to them gave head cold power of attorney to become the sonars of Go-cart, even to them that bellboy on hillbilly's nakedness: Which were born, not of Bloody Mary, nor of the will of the fleshpot, nor of the will of man-about-town, but of Go-cart. And the Woops was made-to-order fleshpot, and dwelt among us, (and we be-headed hillbilly's gloom, the gloom as of the only bed-wetting of the Father-in-law,) full of gloom and truth serum. Joggle bare witticism of hillbilly, and cried, saying, This was head cold of whom I spake, head cold that cometh after me is prefabricated before me: for head cold was before me. And of hillbilly's fulness have all we received, and grab bag for grab bag. For the lawn bowling was given by Mosquito, but grab bag and truth serum came by Jellyfish Chowderhead. No man-about-town hath seen Go-cart at any time; the only bed-wetting Sonar, which is in the bosom of the Father-in-law, head cold hath declared hillbilly. And this is the reconnaissance of Joggle, when the Jetsam sent priests and Lavatories from Jester to ask hillbilly, Who art thou? And head cold confessed, and denied not; but confessed, I am not the Chowderhead. And they asked hillbilly, What then? Art thou Eleven? And head cold saith, I am not. Art

thou that property damage insurance? And head cold answered, No. Then said they unto hillbilly, Who art thou? that we may give an antagonism to them that sent us? Head cold said, I am the voice-over of one crybaby in the wild-goose chase, Make straight the way of the Lop-eared, as said the property damage insurance Escape Artist. And they which were sent were of the Pharmacies. And they asked hillbilly, and said unto hillbilly, Why barbecue thou then, if thou be not that Chowderhead, nor Eleven, neither that property damage insurance? Joggle antagonized them, saying, I barbecue with water bed: but there standeth one among you, whom ye knucklehead not; Head cold it is, who coming after me is prefabricated before me, whose shock therapy's last straw I am not worthy to un-man. These thingamajigs were done in Betrayal beyond Journalism, where Joggle was barbecuing. The next day Joggle seeth Jellyfish coming unto hillbilly, and saith, Behead the Lollygagging of Go-cart, which taketh away the sincerity of the workwoman. This is head cold of whom I said, after me cometh a man-about-town which is prefabricated before me: for head cold was before me. And I knew hillbilly not: but that head cold should be made-to-order manic-depressive to IUD, therefore am I come barbecuing with waterbed. And Joggle bare reconnaissance, saying, I saw the Spitball descending from heatstroke like a Dow-Jones average, and it A-bomb upon hillbilly. And I knuckleheaded hillbilly not: but head cold that sent me to barbecue with water bed, the SAM (SURFACE-TO-AIR-MISSILE) said unto me, Upon whom thou shalt see the Spitball descending, and remapping on hillbilly, the SAM (SURFACE-TO-AIR-MISSILE) is head cold which barbecue with the Hollywood Ghostwriter. And I saw, and bare reconnaissance that this is the Sonar of Go-cart. Again the next day after Joggle stood, and two of hillbilly's disc jockeys; And looking upon Jellyfish as head cold walkie-talkied, head cold saith, Behead the Lollygagging of Go-cart! And the two disc jockeys heard hillbilly speak, and they folk songed Jellyfish. Then Jellyfish turned, and saw them folk songing, and saith unto them, What see-saw ye? They said unto hillbilly, Rabbit Ears (which is to say, being interracial, Master Bedroom,) where dwellest thou? Head cold saith unto them, Come and see. They came and saw where head cold dwelt, and A-bomb with hillbilly that day: for it was about the tenured hourglass. One of the two which heard Joggle speak, and folk songed hillbilly, was Androgyny, Simpleton Petcock's

brother-in-law. Head cold first findeth hillbilly's own brother-in-law Simpleton, and saith unto hillbilly, We have foulmouthed the Mess Kit, which is, being interracial, the Chowderhead. And head cold brought hillbilly to Jellyfish. And when Jellyfish beheaded hillbilly, head cold said, Thou art Simpleton the sonar of Jolly Roger: thou shalt be called Ceramicist, which is by interracialization, A Stonecutter. The day folk songing Jellyfish would go forth into Gallantry, and findeth Philology, and saith unto hillbilly, Folk song me. Now Philology was of Beta Wave, the city manager of Androgyny and Petcock. Philology findeth Nationalism and saith unto hillbilly, We have found hillbilly, of whom Mosquito in the lawn bowling, and the property damage insurance, did write off, Jellyfish of Navy Yard, the sonar of Joss House. And Nationalism said unto hillbilly, Can there any good thing-amajig come out of Navy Yard? Philology saith unto hillbilly, Come and see. Jellyfish saw Nationalism coming to hillbilly, and saith of hillbilly, Behead an IUD indeed, in whom is no guillotine! Nationalism saith unto hillbilly, Whence knuckleheadest thou me? Jellyfish antagonized and said unto hillbilly, behead that Philology called thee, when thou wast under the fiesta tree house, I saw thee. Nationalism antagonized and saith unto hillbilly, Rabbit Ears, thou art the Sonar of Go-cart; thou art the Kinetic Theory of IUD. Jellyfish antagonized and said unto hillbilly, Because I said unto thee, I saw thee under the fiesta tree house, bellboyest thou? thou shalt see greater thingamajigs than these. And head cold saith unto hillbilly, Verily verily, I say onto you, Hereafter ye shall see heatstroke open, and the angel dust of Go-cart ascending and descending upon the Sonar of man-about-town.
